## November 2006 Newsletter

Dear AFI Members and Friends,  
Jupiter had a good effect on the AGM last month –many thanks to all who attended and to Hamish for his as always excellent lecture - despite some of us hearing that we are not to be rich and famous according to our charts! We start this month with Jupiter finally pulling out of the last of the series of squares with Saturn and Saturn slowing to station and trine Pluto for the whole of November... Jupiter is on the home run to Sagittarius (25th) but not before meeting Mercury retrograde in Scorpio, conferring for the second time in a series of three meetings during the retrograde phase - which may perhaps reveal the personal meaning of the Jupiter/Saturn squares. After connecting with Venus and squaring Neptune on 8th November Mercury reports back to Jupiter (and Mars) for the final time in Sagittarius on 10th December. The Mercury retrograde phase should be perfect for Fern's lecture next Sunday night -Treaty of Waitangi Revisited.  
The AFI warmly welcome you to join us and appreciate your ongoing support.

Fern Mercier presents:

*The Treaty of Waitangi Revisited*

Fern's initial premise is that the Treaty of Waitangi is New Zealand's National chart.

Using recent events such as the Tangi of the Maori Queen, to examine the Treaty's Jupiter, Uranus and Neptune Returns, she hopes to shed a little light on how the current Saturn/Neptune opposition T-Squared by Jupiter is impacting on us all.

Based in Auckland, Fern has been practising Astrology and Tarot since the 1970s. She works as a consultant, writer and columnist and has been teaching both subjects since 1990. Fern can be contacted on 09 361-3292 or visit her website [www.tarot.net.nz](http://www.tarot.net.nz)
