November 2007 Newsletter

Dear AFI members and friends,
I'm sure you will all appreciate the difficulties of getting a newsletter out with Mercury stationing...my mouse keeps cutting out. At least knowing about the phenomenon tempers the frustration, or do I experience it more because I know about it? I am persevering with the mouse, as it played up last retrograde phase, but has been faultless in between. If I turn it upside down and wait, it reconnects; a lesson in attitude perhaps. I won't go into the details of my broken phone adaptor saga...
Meanwhile Mars is preparing to stop for its retrograde period at 12° Cancer, almost exactly where Mercury retrograded last time around, if you can remember what was happening then. A blessing that it moves back through Gemini, its progress might seem a little quicker.

Many thanks to Fern Mercier for gracing the AGM with her interesting topic last month, Saturn in Virgo. We hope you can join us for our last speaker for the year, Colleen Coffey, on the subject of Pluto's achievements while in Sagittarius.

AFI Sunday Evening Lecture

Sunday 4th November
Colleen Coffey

The Changing Ages of Pluto

When Pluto, the ultimate generation definer, changes sign we are put on notice that there will be change. Change that often has far reaching consequences.

As we await Pluto's ingress into Capricorn, it is opportune to look back at the changes Pluto has spawned, and generations it has created. And how is this next "age" likely of effect us collectively and individually?

Sunday 2nd December
End of Year Christmas Celebration

2:00 pm - 6.00 pm
119 Queen Street, Northcote Point

Members and friends, together with members of our sister Society, the Astrological Society of NZ, are invited to join us to celebrate the end of another successful and eventful year. Please bring a plate and/or bottle. We look forward to seeing you there!
