AFI Sunday Evening Lecture

Sunday 2nd March
Carol Squires and Colleen Coffey

"Pluto in Capricorn - Emerging from the Chrysalis"

was the theme for the FAA Astrology conference held in Sydney in January. Carol and Colleen report back on the latest ideas and discoveries presented by an impressive line up of local and international astrologers.

Sunday 6th April
Christine Broadbent

The Elements At Work

Opposition and Reflection A look at Carl Jung's slant on the psychological opposites of Air versus Water and Fire versus Earth, which manifest as opposite behavior patterns.

Also the oppositions by degree that occur between like elements. These demonstrate the mirror reflection of opposite signs linked by a single theme. Example—08/09 transit dynamics of Saturn in Virgo opposite Uranus in Pisces. The single theme of service is polarized – raising the question, service to whom?

Complementarity and Comfort The trine and sextile relationship patterns of flowering and opportunity between Fire and Air, between Earth and Water signs.

Example – relationship dynamics in general and a newsworthy relationship in particular. The use of Synastry and a variety of calculated relationship charts.

Sunday 3rd August
(advance notice)
April Elliott Kent

April is a visiting American Astrologer specializing in personal eclipse cycles and Electional astrology. She has recently had her book 'Star Guide to Weddings' published. Her website is www.bigskyastronomy.com for those who would like to familiarize themselves beforehand. April's lecture subject is yet to come.

Local Classes and Workshops

Sunday Workshops with Colleen

Astrology of Vocation

9th March 10am—4pm

In a perfect world every man would do daily that which he has been "called" to do - work and pleasure would be in perfect symmetry, and there would be little or no "toil." This is not a workshop about your job, career, or what you *have* to do – this workshop is about finding the key to that perfect world – how through astrology - understanding the elemental balance, the relevance of houses and the role of the planets - we can all realise a more rewarding working life.

Venue: 119 Queen Street, Northcote Point

Time: 10 am - 4 pm

Fee: \$70

Extensive handouts provided - Class works with class charts so be sure to give your birth data when you register. Morning tea provided.

For further information contact Colleen Coffey: Tel 09 418-2349 Mob 021 0444 911 Email: lookernz@xtra.co.nz
